

Within school and office settings, professionals regularly gather to study new skills, discuss current trends, and learn from each other. Nannies and other childcare professionals need to as well. Support your nanny's attendance at the **INA Conference, May 4 - 7, 2023 in Orlando, Florida.**

What does your nanny bring back to *your children* from an INA CONFERENCE?

Education

2 full days of workshops so your nanny learns new ideas, activities, and tools for your child. Workshop topics can be found at inaconference.org.

Connection

Through personal connection with like-minded caregivers and businesses, your nanny will learn from those who have more experience.

Recognition

Recognition brings longevity. Your nanny will have the chance to receive an INA Service Award Pin, recognizing their years of service in the industry.

Knowledge

Teaching of the most up-to-date research and new ideas so they return home with solutions to challenges your kids may face now and in the future.
